To All Pepperell Service Men and Women -

With hesitation, and real humility, I wish to tell you what we, who work with you at Pepperell, think of the great service you have accomplished for your country. It is not easy to express. I know it is not possible for me adequately to put into words exactly how we feel. We do know that the lives and liberties of every one of us were at stake; that you bore the terrifying attacks, and by your courage and sacrifice turned back the forces that threatened us all. What more can we say? We can never forget what you have done; and we are deeply grateful to you, and profoundly proud to be associated with you.

Sincerely yours,

Russell H. Leonard
